would like to invite to

VII International Academic Conference

ASIA IN THE 21st CENTURY: CHALLENGES, DILLEMAS, PERSPECTIVES

Debating Economics, Politics, Security, Culture, and Education in Contemporary Asia

16th–17th May 2013, Toruń, Poland

The Conference includes two panels in English:

Politics and Society in Contemporary Asia

Economics, Trade, and Regional Integration in Contemporary Asia

Issues which may be considered by participants:

Asian Diplomatic Issues

Asian-American Relations in the 21st Century

Asian-European Relations in the 21st Century

The Power of Asian States

Asian Geopolitics

Asian Security Issues

State Administration and Self-Government in Asia

Media in Asia

Values and Asian societies: tradition and innovation

Human Rights Debate: Asian perspectives and dilemmas

Culture and Education in Asia

Economics and economic policies in Asia

International Economic Crisis and Asian economies

Trade and Asian state's economic expansion

Economic Integration Processes in Contemporary Asia

We would like invite all academics interested in Asian Studies to the Conference, especially political scientists, IR researchers, economists, lawyers, sociologists, anthropologists, and researchers of the culture. We will welcome representatives of other scientific disciplines, who consider dilemmas of contemporary Asia. Our aim is to establish an interdisciplinary, multidimensional, and deepened debate on the significance of Asian states and societies in the 21st Century. We hope that the Conference – as it was before – will be an unique opportunity to discuss contemporary political, economic, and cultural issues of contemporary Asia.

Articles submitted by Conference Participants will be published in peer-reviewed books.

Conference Fee: 400,- PLN

Fee includes an accommodation in Toruń at 16th/17th May 2013 (one night).

Fees should be transferred on the account before 10th April 2013. Account:
